# Pink Champagne

## Drew Blackard

Everyday I'm grindin', don't even get a weekend.
I've been livin' my life in black and white, no sleepin'.
So tonight we're gonna flip it, like in a New York minute.
We're gonna hail a cab, and don't look back, once we get in it.
Lemme hear you say oooooooo, oooooooo, can't keep it bottled up.
Lemme hear you say oooooooo, oooooooo, can't keep it bottled up.
Make it pop like pink champagne in the purple rain.
We're gonna paint, paint, paint the city, and gonna show off all our pretty, pretty.
And pink champagne, let 'em know our names.
Screamin' so loud, they'll hear us in LA.
We're poppin' like pink champagne, (ehhhh, ehhhh) we're poppin' like pink champagne, (ehhhh, ehhhh) we're poppin' like pink champagne!
Don't need no guest list, everybody's invited.
I'm sayin', even if we can't get in, we'll dance outside it.
We're gonna make this bubble, then carbonate some trouble.
When your life gets flat, gotta take it back to another level.
Lemme hear you say oooooooo, oooooooo, can't keep it bottled up.

Lemme hear you say oooooooo, oooooooo, can't keep it bottled up.
Make it pop like pink champagne in the purple rain.
We're gonna paint, paint, paint the city, and gonna show off all our pretty, pretty.
And pink champagne, let 'em know our names.
Screamin' so loud, they'll hear us in LA.
We're poppin' like pink champagne, (ehhhh, ehhhh) we're poppin' like pink champagne, (ehhhh, ehhhh) we're poppin' like pink champagne!
Make it pop like pink champagne in the purple rain.
We're gonna paint, paint, paint the city, and gonna show off all our pretty, pretty.
And pink champagne, let 'em know our names.
Screamin' so loud, they'll hear us in LA.
We're poppin' like pink champagne, (ehhhh, ehhhh) we're poppin' like pink champagne, (ehhhh, ehhhh) we're poppin' like pink champagne!
Pink champagne in the purple rain!
We're gonna paint, paint, paint the city, and gonna show off all our pretty, pretty.
And pink champagne, let 'em know our names.
Screamin' so loud, they'll hear us in LA.
We're poppin' like pink champagne, (ehhhh, ehhhh) we're poppin' like pink champagne, (ehhhh, ehhhh) we're poppin' like pink champagne!
