A Tab In The Ocean

Nektar

Climb aboard, imaginary waves
Of thought beneath the veils of bluey-green,
Armoured horses with sparkling sunset eyes,
Give a passing glance.
Funny creatures with funnly plastic lives,
Purple thrones are set in deep disguise,
Neptune's world around us lies.
Wake up! take a chance, climb aboard,
Life is changing the oceans floor,
The time is near, when nothing's clear,
Nothing's left!
Falling, i'm only falling,
To the answer, to every question,
Is it real, or just deception?
Taste, touch and find,
What it is, that's in your mind.
Truth can be yours,
So let it come,
Just like it did before.
Sorrow, there's no tomorrow,
And the answer, to every mans question,
Is it real, or just deception?
Taste, touch and find,
What it is, that's in your mind.
Truth can be yours,
So let it come,
Just like it did before.
Soon now,
As night turns into day,
And minds step out to play,
In the sun.
Forever,
This feeling will be yours,
A feel you cannot ignore,
It's the one,
You've waited for,
It's the one
You've seen before.
