Hopeless

Dionne Farris

Hello morning, now when does the fun begin?
Goodbye morning, sorry it had to end
But see, I cried just a little too long
Now it's time for me to be strongHello morning, I sure missed you last night
Goodbye morning, you just won't do me right
I stayed just a little too long
Now it's time for me to move onThey say I'm hopeless
As a penny with a hole in it
Penny with a, penny with a hole in it
Yeah, yeah, yeah
They say I'm no less, no less, no less
No less, no less than up to my head in itHello yesterday, I sure need you now
Goodbye yesterday, I just can't stay around
You see, I cried just a little too long
Now it's time for me to be strongHello yesterday, remember how it used to be?
Goodbye yesterday, I can't take you with me
No, no, no, I can't
You see, I stayed just a little too long
And now it's time for me to move onThey say I'm hopeless, hopeless, hopeless, yeah
As a penny with a hole in it
They say I'm no less, no less, no less
No less, no less, no less than up to my head in itYeah, yeah, they say I'm hopeless, hopeless
Yeah, yeah, yeah, yeah
As a penny with a hole in it
Penny, penny, penny with a hole in it, hole in it, yeah
They say I'm no less, no less, no less
No less, no less than up to my head in it
