Kryptonite

Rymez

(Chorus)
How could I be a hero if I can't save myself from you?
You're my Kryptonite
I'm running this race alone, I never thought I'd see us explode
You're like dynamite.(Verse)
Broken wings, run away, kill the lights, set the stage
Now that I've fallen, yeah, can't believe I've fallen, yeah
Crucified and betrayed, by the fortune, not the fame
Blew my heart open, yeah, it's naked and frozen(Pre-Chorus)
Sirens screaming, I'm in love
I'm a casualty for what it costs
Runnin' for life, I wish that I could fly
I'll be the villain by tomorrow(Chorus)
How can I be a hero if I can't save myself from you?
You're my Kryptonite
Running this race alone, I never thought I'd see us explode
You're like dynamite.
You're my superhero, I'm all out, I'm on nothing but, zero,anymore.(Verse 2)
Villified and disgraced, I wish that I could change my face
Now that I've fallen, can't believe I've fallen
Love is blind, I've lost my way, will the phoenix rise again?
Now that I've fallen, the demons keep calling.(Pre-Chorus)
Sirens screaming, I'm in love
I'm a casualty for what it costs
Runnin' for life, I wish that I could fly
I'll be the villain by tomorrow.(Chorus)
How can I be a hero if I can't save myself from you?
You're my KryptoniteYou're my superhero, I'm all out, I'm on nothing but, zero,anymore.You're my superhero
Stealing all my powers, everything that matters
From where it belongs(?)You're my, you're my, you're my superheroI'm in love with you, but I'm ashamed
