Redneck Rock N' Roll

Frank Foster

Lone cheif and the eagle and I'm floating in on the breeze
One man gang bringing change you'll see
I'm puttin down that kinda sound that you bump when you ride back roads
It's a Redneck Rock n Roll
Redneck Rock n Roll
Heart driving country with a whole lotta of soul.
Crank it up with a rowdy crowd and let your boots stomp the floor
I'm playing Redneck Rock n Roll
Like a old gun sling, I rolled into Nashville town.
Took a shot at the suites and ties but they gave me the run around
They said hey Frank your the next big thing if just let us take control
I said heck no I'm playing Redneck Rock n Roll
Redneck Rock n Roll
Heart driving country with a whole lotta of soul.
Crank it up with a rowdy crowd and let your boots stomp the floor
I'm playing Redneck Rock n Roll
Now they all know me from sea to shinning sea
As a underground King in the south son a big dog down in Dixie
Went from cashing checks as a rough neck down in the gulf of mexico to playing
Redneck Rock n Roll
Redneck Rock n Roll
Heart driving country with a whole lotta of soul.
Crank it up with a rowdy crowd and let your boots stomp the floor
I'm playing Redneck Rock n Roll
