Heaven

Rusted Root

Ain?t nothin' like a bird in play
To tickle my beard today here
Work this way to sensuate my lips
Oh dear, it?s my very first kiss
To call upon the sermon today
Yes, to call upon these words to say
Lord, take care of myself
Take care of myself
Lord, take care of myself
Take care of myself
'Cause when I, I find my way to Heaven
I will walk it down to earth
Yes, I will tie my shoes to Heaven
Heaven, I will walk it down to earth
Walk it down now
I?ll take good care of myself
Walk it down now
I?ll take good care of myself
Walk it down now
I?ll take good care of myself
I?ll take good care of myself
I?ll take good care of myself
And all will rise to be in the air

Well, oh dear, look at the birds in play, play
It?s twice we?ve, we've tangled
Our strings today, today, yeah
Well, dunk your toys into the sky, sugar
Into the sun our kites will fly
Well, oh dear, look at the birds in play, play
Yes, to call upon the sermon today
Lord, take care of myself
Take care of myself, oh
Lord, take care of myself
Take care of myself
'Cause when I, I find my way to Heaven
Well, I will walk it down to earth
Yes, I will tie my shoes to Heaven, Heaven
Well, I will walk it down to earth

Walk it down now
I?ll take good care of myself
I?ll take good care of myself
I?ll take good care of myself
I?ll take good care of myself
I?ll take good care of myself
I?ll take good care of myself
