

# Here I Go

Syd Barrett

This is a story about a girl that I knew  
She didn't like my songs and that made me feel blue  
She said, "A big band is far better than you" She don't rock 'n' roll, she don't like it  
She don't do the stroll, well she don't do it right  
Well every thing's wrong and my patience is gone  
When I woke one morning and remembered this song  
Kinda catchy I hope that she will talk to me now and even allow me  
To hold her hand and forget that old band I strolled around to her pad  
Her light was off and that's bad  
Her sister said that my girl was gone  
"But come inside boy, and play, play, play me a song" I said, "Yeah" here I go  
She's kinda cute don't you know  
That after awhile of seeing her smile  
I knew we could make it and make it in style? So now I've got all I need  
She and I are in love, we've agreed  
She likes this song and my others too  
So now you see my world is 'Cause of this tune what a boon this tune  
I tell you soon we'll be lying in bed, happily wed  
And I won't think of that girl and what she said
