

# Officially Missing You

TAMIA

All I hear is raindrops falling on the rooftop  
Oh baby, tell me why'd you have to go  
'Cause this pain I feel it won't go away  
And today I'm officially missin you I thought that from this heartache, I could escape  
But I've fronted long enough to know  
There ain't no way  
And today, I'm officially missing you Ooh... can't nobody do it like you  
Said every little thing you do, hey, baby  
Said it stays on my mind  
And I'm officially  
All I do is lay around, two years full of tears  
From looking at your face on the wall  
Just a week ago you were my baby  
Now I don't even know you at all  
I don't know you at all Well, I wish that you would call me right now  
So that I could get through to you somehow  
But I guess it's safe to say, baby  
Safe to say that I'm officially missin you Ooh... can't nobody do it like you  
Said every little thing you do, hey, baby  
Said it stays on my mind  
And I'm officially Well, I thought I could just get over you, baby  
But I see there's something I just can't do  
From the way you would hold me  
To the sweet things you told me  
I just can't find a way to let go of you  
Ooh... can't nobody do it like you  
Said every little thing you do, hey, baby  
Said it stays on my mind  
And I'm officially  
It's official  
Hoo... you know that I'm missin you, yeah, yes  
All I hear is raindrops, ooh, yeah  
And I'm officially it's official  
i'm officially missing you
