Home tonight

Appletop

Home tonight, home tonight
Home tonight, home tonight
Ooh, take a walk in the park under the stars
Baby, take my hand, the night is ours
I never knew what loving you could do
I'm feeling like I wanna follow through
You look into my eyes and
You make my temperature rise and
You keep me fantasizing
You can take me home tonight
I'm not making promises
Don't make it more than what it is
You can take me home tonight
Take it slow, boy, we can chill
If I'm feeling it I will
Maybe
(Would you let a thug give you a hug?)
Maybe
(Maybe stroke your back till you fall in love)
Maybe
(If it's cool can I kiss you please?)
Maybe
(Love you down till we fall asleep)
Ooh, now you got me where you want me to be
But I won't give in too easily
I look at you and I can't help myself
My mind says, "Wait", my body's saying, "Yes"
You look into my eyes and
You make my temperature rise and
You keep me fantasizing, baby
You can take me home tonight
I'm not making promises
Don't make it more than what it is
You can take me home tonight
Take it slow, boy, we can chill
If I'm feeling it I will
Maybe
(Would you let a thug give you a hug?)
Maybe

(Maybe stroke your back till you fall in love)
Maybe
(If it's cool can I kiss you please?)
Maybe
(Love you down till we fall asleep)
My heart's racing, my body's aching
From dreams of making love all night
It won't take much, I'm weak, one touch
Just might do this if it's wrong or it's right
You can take me home tonight
I'm not making promises
Don't make it more than what it is
You can take me home tonight
Take it slow, boy, we can chill
If I'm feeling it I will
Maybe
(Would you let a thug give you a hug?)
Maybe
(Maybe stroke your back till you fall in love)
Maybe
(If it's cool can I kiss you please?)
Maybe
(Love you down till we fall asleep)
You can take me home tonight
I'm not making promises
Don't make it more than what it is
You can take me home tonight
Take it slow, boy, we can chill
