Make You Smile

Dear Nora

The last time I saw you, you turned away
I couldn't see you with the sun shinin' in my eyes
I said, "Hello", but you kept on walkin'
I'm going deaf from the sound of the freeway
The last time I saw you, you turned away
I couldn't hear you with your voice ringing in my ears
Do you remember where we used to sleep at night?
I couldn't feel you, you're always so far away
The first time I saw you, you turned away
I couldn't see you with the smoke getting in my eyes
I said, "Hello", but you kept on walkin'
I'm going deaf from the sound of the DJ
The first time I saw you, you turned away
I couldn't hear with the noise ringing in my ears
Do you remember where we used to sleep at night?
I couldn't feel you, you're always so far away
I don't, don't wanna take you home

Please don't, don't make me sleep alone
If I could, I'd only wanna make you smile
If you wanna stay with me a while
The next time I see you, you'll turn away
I'll say, "Hello", but you'll keep on walkin'
The next time you see me, I'll turn away
Do you remember where we used to sleep at night?
I couldn't feel you, you're always so far away
I don't, don't wanna take you home
Please don't, don't make me sleep alone
If I could, I'd only wanna make you smile
If you wanna stay with me a while
I don't, don't wanna take you home
Please don't, don't make me sleep alone
If I could, I'd only wanna make you smile
If you wanna stay with me a while
