Shirley

Shakin' Stevens

Shirley, Shirley I love you so
I'm never gonna let you go
Shirley where you going tonight?
Shirley, Shirley will you be my girl?
I'll take you all around the world
Shirley, where you going tonight?Oh Shirley
Shirley I'd buy you anything
Would you like a diamond ring?
Shirley, where you going tonight?I called Shirley's mama on the phone
She said Shirley's not at home
She said my little girl won't be back soon
She's gone on her honeymoonOh Shirley, Shirley you've done me wrong
That's why I sing this song
Shirley, where you going tonight?I called Shirley's mama on the phone
She said Shirley's not at home
She said my little girl won't be back soon
She's gone on a honeymoonOh Shirley, Shirley you've done me wrong
That's why I sing this song
Shirley, where you going tonight?Oh Shirley, Shirley I love you so
I'm never gonna let you go
Shirley, where you going tonight? [Repeat: x8]
Shirley, where you going?
Shirley, where you going tonight?
Shirley, where you going tonight?
