Outback Woman

James Reyne

Fetch me a drink of water
My head was about to bust
She knows I stayed out all night long
She don't make no fussShe's my outback women
Outback womenHair down on her shoulders
Her eyes were as black as coal
She's got voluptuous hips
And sensuous lips
She love me and won't let goShe's my outback women
She keeps my fire lit
She's my outback women
She knows how to scratch my itch
Scratch my itch babyShe gave me a pair of moskins, moccasins
Made out of kangaroo hide
She said James, you know I love you
You keep me satisfiedShe's my outback women
She knows how to set me free
She's my outback women
She knows how to shake my tree
Shake my tree babyI took her to town on Saturday
To buy her some trinkets and pearls
I don't play the fool I like to keep it cool
I don't mess with no big city girlsShe's my outback women
She keeps my fire lit
She's my outback women
She knows how to scratch my itchShe's my outback women
She knows how to set me free
She's my outback women
Come on women come on and shake my tree
