Spooky

The Puppini Sisters

In the cool of the evening
When everything is getting kind of groovy
You call me up and ask me
Would I like to go with you and see a movie?
First I say no, I?ve got some plans for tonight
And then I stop and say all right
Love is kind of crazy with a spooky little boy like you, you
You always keep me guessing
I never seem to know what you are thinking
And if a girl looks at you
It?s for sure your little eye will be a-winking
I get confused, I never know where I stand
And then you smile and hold my hand
Love is kind of crazy with a spooky little boy like you
And if you decide some day to stop this little game
That you are a-playing
I?m gonna tell you all the things

My heart?s been a-dying to be saying
Just like a ghost you?ve been a-haunting my dreams
And now I know you?re not what you seem
Love is kind of crazy with a spooky little boy like you
Spooky
And if you decide some day to stop this little game
That you are a-playing
I?m gonna tell you all the things
My heart?s been a-dying to be saying
Just like a ghost you?ve been a-haunting my dreams
And now I know you?re not what you seem
Love is kind of crazy with a spooky little boy like you
Spooky little boy like you
Spooky little boy like you
A spooky little boy like you
