# Follow Me Down

## The Pretty Reckless

Since I met you I've been crazy
Since I've been with you I've been lost
You make everything see hazy
Love comes with such a cost

Have I lost my mind?
Have I lost my mind?
Have I lost my mind?

Follow me down to the river
Drink while the water is clean
Follow me down to the river tonight
I'll be down here on my knees

So follow me down to the river
Follow me down through the trees
Follow me down to the river, man
I'll be down here on my knees
I'll be down here on my knees

Nights avoiding things unholy
Your hand slips across my skin
I go down on you so slowly
Don't confess none of your sins

Have I lost my mind?
Have I lost my mind?

Follow me down to the river
Drink while the water is clean
Follow me down to the river tonight
I'll be down here on my knees

So follow me down to the river
Follow me down through the trees
Follow me down to the river, man
I'll be down here on my knees
I'll be down here on my knees

When you're young you always take what you can get

Even bicycles and sprinklers get you wet
Now I know that there's a different way to die
My body breathes
Heart still beats
But I am not alive

Follow me down to the river
Drink while the water is clean
Follow me down to the river tonight
I'll be down here on my knees

Follow me down to the river
Follow me down through the trees
Follow me down to the river, man
I'll be down here on my knees
I'll be down here on my knees

Young love as sweet as can be
