# Pub

## Pub

[INTRO:] What is alcohol? It is a powerful liquid drug that changes how the body works.
It is the drug in beer wine and hard liquor, gin, whiskey, vodka and so fourth.
Each of these contains about the same amount of alcohol,
12oz. of beer, 5oz. of wine, 1 1/2oz. of hard liquor.
When people drink something with alcohol in it the drug changes how the think, act, and feelEverynight at seven we all go to the pub
Oi Oi Oi
Drinkin pints of miller drinkin pints of bud
Fat mikes in the bathroom pukin up his guts
Luskys in the other room tryin to smoke my buttsThrow your life, Throw your life
Throw Your Life Away
Throw your life, Throw your life
Throw Your Life AwayBillys in the titty bar lookin at the girls
Oi Oi Oi
Johnny's in his motor car snortin up the rails
Marc just threw tomatos on the barroom floor
Someone get the bar key so he can have one moreThrow your life, Throw your life
Throw Your Life Away
Throw your life, Throw your life
Throw Your Life Away
