

Ex-Pat

White Sea

Come share my love
Come share my love
Come share my love
Come share my loveAnd I
(I know that you wanted to)
 will be desired
(I know that you wanted to)
 And I
(I know that you wanted to)
 will be desired
(I know that you wanted to)And I
(I know that you wanted to)
 will be desired
(I know that you wanted to)
 And I
(I know that you wanted to)
 wanna be
