All Alone Am I

Timi Yuro

all alone am i ever since youre goodbye
all alone with just a beat of my heart
people all around but i dont hear a sound
just the lonely beating off my heartno use in holding other hands
for i be holding only emptiness
no use in kissing other lips
for i been thinking of youre couressall alone am i ever since youre goodbye
all alone with just a beat of my heart
people all around but i dont hear a sound
just te lonely beating of my heart.(talking) no other voice can say the words
my heart must tear they've said again
the words you used to explain
no other love can ever bring again
all alone am i ever since youre goodbye
all alone with just a beat of my heart
people all around but i dont hear a sound
just the lonely beating of my heart
