In You

Marc Ford

I feel in their anticipation
Like I was just a child
Watching through my open window
When your touch so sweet of mineIn you, in you, all I've/ever wanted was in youYou've captured my attention
You got me acting like a clown
Desire my affection, you have turned my world around
I realized, there's nothing I can do
All I've wanted was in youSpending a life time searching
What I did not understand
I would give up any mountain
Just to hold you in my handIn you, in you, all I've wanted was in youYou captured my attention
You got me acting like a clown
Desire my affection, you have turned my world around
I realized, there's nothing I can do
All I've wanted was in you
