My Car Makes Me Sin

Silage

Here we go...ha, ha, ha
Pick it up...woh, woh
Here we go...ha, ha, ha
Pick it up...woh, woh
I can't wait to trade it in
And leave it with a grin
I can't wait to get my wings
And leave these dents and dings
Chorus:
My car makes me sin
And it sends me into fits
Of rage, I must repent
Oh God, please cool my engine
[Repeat Chorus]
Here we go...ha, ha, ha
Pick it up...woh, woh
Here we go...ha, ha, ha
Pick it up...woh, woh
And even if things were keen
The light would never turn green
And somebody would cut me off
And tell me off, and then run me off
[Repeat Chorus Twice]
Here we go...ha, ha, ha
Pick it up...woh, woh
Here we go...ha, ha, ha
Pick it up...woh, woh
