

# Two Cups of Coffee (Live@Hotel Cafe)

Josh Kelley

Yeah hey, yeah hey  
Yeah hey, yeah hey Two cups of coffee in the mornin'  
Two days till I stop feelin' blue  
Two chairs, one empty in the corner  
I got too much me and not enough of you  
I got too much me and not enough of you Two thousand miles away I'm boardin'  
Two crazy people next to me  
Two shots of vodka I am pourin'  
I got too much me and not enough of you  
I got too much me and not enough of you Hold on tight, hold on tight  
Because the ship is sailin'  
One more night till I can lie into my lady  
Precious lady, alright, alright One day we are gonna get married, married  
One day I'll show you how I do, I do, baby, oh, baby, uh  
One love is all this heart is yearnin' for  
I got too much me and not enough of you  
I got too much me and not, too much me and not enough of  
Too much me and not enough of you Well, anyway  
Yeah hey, yeah hey Oh, I got too much me and not enough  
Oh, I got too much me and not enough of you, baby, baby  
Baby, I got too much of me and not enough of you  
I'm gonna hold you, darlin? Oh hey, hey, baby, I got too much of me  
I love you, gonna hold you, darlin', yeah hey  
Love you, love you One day we are gonna get married
