Either/Or

The Ocean Blue

So far removed
So in between
So back and forth
Don't know where he's beenAnd when I stopped and thought about it
When I figured out
When I stopped and thought
Faced an either orSo crazy in my head
In my head, in my head
Over all the things I've read
Things I've read, things I've readSo high above
So up in front
So left and right
So and bothBut when I stopped and thought about it
When I figured out
When I stopped and thought
Faced the either orSo crazy in my head
In my head, in my head
Over all the things I've read
Things I've read, things I've readSo far removed
So in between
So back and forth
Don't know where he's beenAnd when I stopped and thought about it
When I figured out
When I stopped and thought
Faced, either orSo crazy in my head
In my head, in my head
Over all the things I've read
Things I've read, things I've read
