

# Scars to Your Beautiful

Alessia Cara

She just wants to be beautiful  
She goes unnoticed, she knows no limits  
She craves attention, she praises an image  
She prays to be sculpted by the sculptor  
Oh, she don't see the light that's shining  
Deeper than the eyes can find it  
Maybe we have made her blind  
So she tries to cover up her pain and cut her woes away  
'Cause cover girls don't cry after their face is made But there's a hope that's waiting for you in the dark  
You should know you're beautiful just the way you are  
And you don't have to change a thing, the world could change its heart  
No scars to your beautiful, we're stars and we're beautiful  
Oh-oh, oh-oh  
And you don't have to change a thing, the world could change its heart  
No scars to your beautiful, we're stars and we're beautiful She has dreams to be an envy, so she's starving  
You know, cover girls eat nothing  
She says "beauty is pain and there's beauty in everything"  
"What's a little bit of hunger?"  
"I could go a little while longer," she fades away  
She don't see her perfect, she don't understand she's worth it  
Or that beauty goes deeper than the surface  
Oh, oh  
So to all the girls that's hurting  
Let me be your mirror, help you see a little bit clearer  
The light that shines within There's a hope that's waiting for you in the dark  
You should know you're beautiful just the way you are  
And you don't have to change a thing, the world could change its heart  
No scars to your beautiful, we're stars and we're beautiful Oh-oh, oh-oh  
And you don't have to change a thing, the world could change its heart  
No scars to your beautiful, we're stars and we're beautiful No better you than the you that you are (no better you  
than the you that you are)  
No better life than the life we're living (no better life than the life we're living)  
No better time for your shine, you're a star (no better time for your shine, you're a star)  
Oh, you're beautiful, oh, you're beautiful And there's a hope that's waiting for you in the dark  
You should know you're beautiful just the way you are  
And you don't have to change a thing, the world could change its heart  
No scars to your beautiful, we're stars and we're beautiful  
Oh-oh, oh-oh  
And you don't have to change a thing, the world could change its heart

No scars to your beautiful, we're stars and we're beautiful
