You're My Little Girl

Go Fish

The ones that you love
May let you down
And I want you to know
That I?m sor-ry.

The choices that they made
Are wrong.
You were caught in the middle
And I?m sor-ry.

So when the anger and the pain,
Get the best of you,
You may feel like you?re alone
But I am feeling it too!

(Refrain):
?Cause you?re my little girl,
You?re the one that I created.
No one in this world
Could ever be like you.

When you?re crying in the night,
All you need to do is call me.
I?ll be there for you!

-
?Cause you?re my little girl!

-

When you?re looking in the mirror,
I hope you?re liking what you,

See!

-

?Cause no matter what you?re feeling,
You?re perfect to
Me!

--

?Cause I see you as a child,
Blameless in my sight.
Spend some time with me
And I?ll make everything alright!

(Refrain)

I know you don?t deserve
What you?ve been through.
And I know it doesn?t seem fair!

I know that there are times
You think you?re alone!
But you got to know that I?ll
Be there! Be there!

?Cause you?re my little girl,
You?re the one that I created.

No one in this world
Could ever be like you!
When you?re crying in the night,
All you need to do is call me.
I?ll be there for you!

-
?Cause you?re my little girl!

-

You?re my little girl,
You?re the one that I created.
No one in the world
Could ever be like you.

When you?re crying in the night,
All you need to do is call me.
I?ll be there for you!

-

?Cause you?re my little girl,
You?re the one that I created.
No one in the world
Could ever be like you.
