Captain Plastic

Pop Will Eat Itself

Is anybody captain of this ship?
A steady hand is needed, I'm not inHere we go nowCaptain Plastic -
The trouble with reality
Is it's true
Drastic Drastic -
You took me from behind
Spastic Plastic -
A struggle with reality
So who are you?
Captain Plastic -
You're just a different kindAnd I blew my money
And you blew my mind
But they were inspirational timesAnd I blew my money
And you blew my mind
But they were inspirational timesCaptain Plastic -
A struggle with reality
So who are you?
Drastic Drastic -
You're just a different kind
Spastic Plastic -
A struggle with reality
So who are you?
Captain Plastic -
You're just a different kindCaptain
Plastic
Strapped in
It's Drastic
Spiral
'Tastic
Is Captain
Strapped in?And I blew my money
And you blew my mind
But they were inspirational timesAnd I blew my money
And you blew my mind
But they were inspirational timesHere we go nowCaptain Plastic -
The trouble with reality
Is it's true
Drastic Drastic -
You took me from behind

Spastic Plastic -
A struggle with reality
So who are you?
Captain Plastic
