The Undefeated

Super Furry Animals

Lies, pollution
Solution, solutionI, I lose again
You are the victor, I confess
You are David and Goliath
I'm but the dirt beneath your feetYes, so shallow, the undefeated
(Lies, pollution, solution)
Yes, so shallow, the undefeatedStep, step into my shoes
I'll try and make you understand
I lead my life without a plan
I need no guidance just your patienceFor so shallow, the undefeated
(Lies, pollution, solution)
Yes, so shallow, the undefeatedEvery animal has its day
We will chase the phantoms awayFor so shallow, the undefeated
(Lies, pollution, solution)
Yes, so shallow, the undefeatedYes, so shallow, the undefeated
(Lies, pollution, solution)
Yes, so shallow, the undefeatedFor so shallow, the undefeated
Yes, so shallow, the undefeated
Yes, so shallow, the undefeated
