

Either Way

Sorority Noise

I saw my chance
Saw my chance and I took it
Saw the chance to leave the life I couldn't lead
Saw my chance
Saw my chance and I took it
So that I could be more than
My head let me believe
And maybe it's not so bad
Drink some water, go to sleep
Rinse and repeat
I saw my chance
Saw my chance and I took it
Saw the chance to rid myself
Of my toxic waste
Saw you smile
But I must have mistook it
Sometimes we hide ourselves
And I wish go could go back
To when fragility and innocence was all I knew
You saw your life
Saw your life and you took it
Saw a chance to leave a life
You couldn't lead
You took your last breath
I was there when you took it
Did you know that we would love you either way?
