Every Second

Jordyn Taylor

You're always on my mind
Make me feel like summer time
Baby you're just remembering
I see you all around
I keep digging on the ground
Hoping you were notice it(Pre-)
I wonder do you even know my name
I hate that I remember yours
I try to make you fade, won't go away
And I can't take no more
()
'Cause every second I feel the kiss that's not there
And know what's at the door
And every minute I miss the sound of your voice
Your footstep's at the door
And I hate your part
He hates my part too
'Cause every second I feel the kiss that's not there
Won't do this anymore()
I'm searching for a smile ye you know it's been a while
Try to sell my heart again
Still starring at my feet
Feel you walking by me and I know that you don't understand
(Pre-)
I wonder do you even know my name
I hate that I remember yours
I try to make you fade, won't go away
And I can't take no more()
'Cause every second I feel the kiss that's not there
And know what's at the door
And every minute I miss the sound of your voice
Your footstep's at the door
And I hate your part
He hates my part too
'Cause every second I feel the kiss that's not there
Won't do this anymore(Bridge)
(You're over)
(Wanting you)
(So over me)

'Cause it's breaking me every second
Don't wanna feel this way()
'Cause every second I feel the kiss that's not there
And know what's at the door
And every minute I miss the sound of your voice
Your footstep's at the door
And I hate your part
He hates my part too
'Cause every second I feel the kiss that's not there
Won't do this anymore
