# Stop To Think

## Unwritten Law

I've got this feelin'
And I know that somethin' just ain't right
There's something wrong with me
Can't eat can't think can't sleep at night
Maybe the empire's falling down
I hope that I won't be around
Stop to thinkI've tried to fight I think I'm right
But who the fuck's to say
I've heard your views on the evening news
They're played out every fucking day
I think the end is coming down
I ope that I won't be around
Stop to thinkI stop to think that maybe everything's alright
And maybe that's a waste of time
Be all that you can be
There's nothing left to see
Well now
That's not good enough for me
Stop to think
