Love Lies

Khalid & Normani

Sorry if it's hard to catch my vibe, mmm
I need a lover to trust, tell me you're on my side
Are you down for the ride?
It's not easy for someone to catch my eye
But I've been waitin' for you for my whole damn life
For my whole lifetimeDon't be afraid to tell me if you ain't with it (you ain't with it)
I see you're focused, yeah you're so independent (independent)
It's hard for me to open up, I'll admit it (I'll admit it)
You got some shit you're sayin', help me to listenSo baby, tell me where your love lies
Waste the day and spend the night
Underneath the sunrise
Show me where your love lies
I've been so into your mystery
Is it because of our history?
