The Last One

Jim Ed Brown

I'd like to be the last one you hold,
leaving me the memory of your touch.
If you're the first of us from this life to go,
I'd like to be the last one that you hold.
I'd like to be the last one that you kissed.Sealing all the promises we made;
your feelings won't fade embraced upon my lips,
I'd like to be the last one that you kissed.
But if on the other hand,
there's another plan andI knock on Heaven's door before you do,
remember these words I pledge to you;
you'll be the last one that I love with
every spark of passion in my heart.Though we will be apart,
you'll know how it was!
You'll be the last one that I love.
Though we will be apart,
you'll know how it was!
You'll be the last one that I love.
