Car Crash (Acoustic)

Matt Nathanson

I'm wide awake and so alive
Ringing like a bell
Tell me this is paradise
And not someplace I fell
Cause I keep on fallin' downI wanna feel the car crash
I wanna feel the capsize
I wanna feel the bomb drop, the earth stop
Till I'm satisfied
I wanna feel the car crash
Cause I'm dyin' on the inside
I wanna let go and know
That I'll be alright, alrightJust push me 'til I have to fly
I've shed my skin, my scars
Take me deep out past the lights
Where nothing dims these stars
Nothing dims these starsI wanna feel the car crash
I wanna feel the capsize
I wanna feel the bomb drop, the earth stop
Till I'm satisfied
I wanna feel the car crash
Cause I'm dyin' on the inside
I wanna let go and know
That I'll be alright, alrightSo right
It's all wrongI'm wide awake and so aliveI wanna feel the car crash
I wanna feel the capsize
I wanna feel the bomb drop, the earth stop
Till I'm satisfied
I wanna feel the car crash
Cause I'm dyin' on the inside
I wanna let go and know
That I'll be alright, alright
