Shag

everybodyduck

South Carolina
Down in Myrtle Beach
Dance to the music
Twistin' to the beat
Shimmy, shimmy, shake it
Shimmy, shakin' coco pop
An' turn me on, baby
And don't stop
You make me wanna
(Shag you, baby)
You know I wanna
(Shag you, baby)
Woo
I gotta
(Shag you, baby)
You make me wanna
(Shag you, baby)
Turn on the lights
I got to see ya comin'
Turn on the key
And get your motor on
I've been smokin' lightnin'
Make me hear the thunder
I feel your body tightenin'
From under
You make me wanna
(Shag you, baby)
Uhh, I gotta
(Shag you, baby)
Woo
You know I gotta
(Shag you, baby)
I wanna
(Shag you, baby)
Shag you, baby
Shag you, baby
Shag you, baby
Oww

Uhh, shag you, baby

(Shag)
You know I wanna
(Shag)
Shag you, honey
(Shag)
You make me wanna
(Shag)
Uhh, uhh, uhh, uhh, uhh
(Shag)
I gotta
(Shag you, baby)
You baby
(Shag)
Turn on the lights
(Shag)
I got to see ya comin'
(Shag)
Turn on the key
(Shag)
And get your motor hummin'
(Shag)
I like smokin' lightnin'
(Shag)
To make me hear the thunder
(Shag)
I feel your body tightenin'
From under
(Shag)
You make me wanna
(Shag you, baby)
Uhh
You know I gotta
(Shag you, baby)
Woo
I wanna
(Shag you, baby)
Aaa, haa
I've gotta
(Shag you, baby)
...
