Don't You Forget About Me

Robinson

You came into my life without a warning
And you know what I'm like in the morning
Need to know what I'm doing is important
Or take a hit so I can forget
Forget about it
Forget about him
Forget about you
Forget about them
Forgetting
Oh, just fuck it
Don't you forget about me
Forget about me
Don't you forget about me
Forget about me
Don't forget meYeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeahWho are you? You look so familiar
Through half shut eyes I can barely see ya
Hold still for a minute
In a minute I'll get with it
You know I was never really like this
The highs, they have become my new religion
Hold still for a minute
In a minute I'll get with it
You came into my life without a warning
And you know what I'm like in the morning
Need to know what I'm doing is important
Or take a hit so I can forget
Forget about it
Forget about him
Forget about you
Forget about them
Forgetting
Oh, just fuck itDon't you forget about me
Forget about me
Don't you forget about me
Forget about me
Don't you forget about me

Forget about me
Don't you forget about me
Forget about me
Don't forget meYeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
