Emotional Flatline

Carcass

An emotional void, a cold empty shell
Embittered husk, a heart of darkness
Trace weak pulse, vascular eclipse
Numbed and sapped, emotional paralysisFlatline, grievous bodily heart
Flatlined, sensitivity bypassedNo tears to cry
Stone cold emotional flatlineEmotional flatline
No tears to cryWith indifference touched of emotion drained
Cold bloody minded, caressing disdain
Pulsating life, only rhythmic dead beats
Terminal cardiac ridden with diseaseFlatline, no tears to cry
The hard line, stone cold emotionless flatlineNo time to cry
Stone cold emotional flatlineEmotional flatline
No time to cry
No tears to cry
