

# Trash

## Pansy Division

Are you customized or readymade?

Heavy metal, trick or treat

Uh, huhHe's only seventeen

On the level trash is neat

Uh, huh, uh, huhTeenage fever, oh you got it bad

Caught the flavor, want it all

Uh, huhHe's only seventeen

Bet you love the trash I meet

Oh yeah, oh yeah

Oh yeah, oh yeahHis tangled hair trails halfway down his back

On his head, a backwards baseball capHe's only seventeen

I'll pick up the trash I see

Uh, huh, uh, huh
