Love At First Fright

Murderdolls

When I saw you piss on the rug
My heart fluttered and I knew
It was love, true loveWell, all the things you said
And did to your mom, well, I knew
You were the only one, the only one for meGo and call the priest
So he can exorcize me
Be my ghoul tonight?Regan, it was love at first fright, first fright
Love at first fright, first fright
Regan, it was love at first fright, first fright
Love at first fright, first frightYeah, I'd love it if you'd spin your head for me
Or vomit a beautiful pea soup green
So beautifullyAcross your stomach it said, "Help me"
I gotta know, will you marry me
Captain HowdyGo and call the priest
So he can exorcize me
Well, be my ghoul tonight?Regan, it was love at first fright, first fright
Love at first fright, first fright
Regan, it was love at first fright, first fright
Love at first fright, first frightGo and call the priest
So he can exorcize me
Well, be my ghoul tonight?Regan, it was love at first fright, first fright
Love at first fright, first fright
Regan, it was love at first fright, first fright
Love at first fright, first frightWhen I saw you piss on the rug
My heart fluttered and I knew
It was love, true loveAnd on your stomach it said, "Help me"
I gotta know, will you marry me
Captain Howdy
