devil's child

Digger Barnes

Hypnotize me, mesmerize me
Feel my willpower slip
Light my fire with cold desire
Losing all my grip
Eat my diamonds
Drinking all my gin
Feast your eyes on
A whole lotta sin
Oh no, you're so damned wicked
You got me by the throat
Oh no, gotcha claws stuck in me
You never let me go
I believe you're the devil
I believe you're the devil's child
I believe you're the devil
I believe you're the devil's child
Took my dreams and now it's seems
You're nothing but a liar
Smash and grab at all I had
Build my funeral pyre
Stop pretendin'
Got me growin' old
Your tormentin' is
Fit to snap my soul
Oh no, you're so damned wicked
You got me by the throat
Oh no, gotcha claws stuck in me
You never let me go
I believe you're the devil
I believe you're the devil's child
I believe you're the devil
I believe you're the devil's child
You took my heart and left it blown to smithereens
I gave my body as a slave
You cut my flesh and drank my blood that poured in streams
I'm left here broken and ashamed
Goin' under, hear the thunder
Death defying grace
Your condition breeds ammunition

Shoots me in the face
Vicious talkin'
Stabs me like a knife
Scratched and bruised, so abused
I'm a human sacrifice
Oh no, you're so damned wicked
You got me by the throat
Oh no, you gotcha claws stuck in me
You never let me go
I believe you're the devil
I believe you're the devil's child
I believe you're the devil
I believe you're the devil's child
I believe you're the devil
I believe you're the devil's child
I believe you're the devil
I believe you're the devil's child
I believe you're the devil
I believe you're the devil's child
I believe you're the devil
I believe you're the devil's child
I can't stand any any anymore
