Mirror's Eyes

Drain S.T.H.

Turning into my mind
The mirror's eye smiles back at me
Fed me with your madness
Burnt the cradle to the ground
Created a beast of sadness
Now I'm searching to be found
Reaping the seed you sowed
Left alone to grow yeah
Where do we go?
I don't know
Reaping the seed you sowed
Time has come, no longer care
I wanted love, you gave me fear
Fed me with your madness
Burnt the cradle to the ground
Created a beast of sadness
Now I'm searching to be found
Reaping the seed you sowed
See my life broke in half
Frozen sea you left for me
Reaping the seed you sowed
Time has come, no longer care
I wanted love, you gave me fear
Fed me with your madness
Burnt the cradle to the ground
Created a beast of sadness
Now I'm searching to be found
Reaping the seed you sowed
See my life broke in half
See my life broke in half
