

# Hard Luck Champion

## Dangerous Toys

If I had no bad luck, I'd have no luck at all  
Hangin' by a thread from the edge of the world  
    Feel I'm about to fall  
    Rain fallin' on the day I was born  
    Under a bad sign, shoved into a bind  
    Down, down like a flaming falling star  
If I had no bad luck, I'd have no luck at allHard luck champion  
    I got my hands in my pocket  
    But there ain't no money  
    Hard luck champion  
    Night prowler, sicker than a dog  
    Smilin' through a fang smile, rotten to the core  
    Shame, shame, got no middle name  
Got me twenty rabbit feet, but still I lose the gameHard luck champion  
    I got my hands in my pocket  
    But there ain't no money  
    Hard luck champion  
    Like a bee in the hive  
    But there ain't no honey  
        Hard luck  
        Hard luck  
        Hard luck  
If I had no bad luck, I'd have no luck at all  
Well, there's winners and there's losers  
    Sinners and choosers  
    Dirty grins and innocent blues  
Which one are you?Damn shame, it seems that we're the same  
    With a four leaf clover and a lucky charm  
    We just can't shake the pain
