Winter Wonderland

Sleeper Agent

Sleigh bells ring
Are you listening?
In the lane
Snow is glisteningA beautiful sight
We're happy tonightWalking in a Winter wonderlandGone away, is the blue bird
Here to stay, is the new birdHe sings a love song
As we go alongAnd now we're walking
Walking in a Winter wonderland
Walking in a Winter wonderland
Walking in a Winter wonderland
Walking in a Winter wonderlandLater on, we'll conspire
As we dream, by the fireTo face the unafraid
The plans that we've madeWalking in a Winter wonderlandWalking in a Winter wonderland
Walking in a Winter wonderland
Walking in a Winter wonderland
Walking in a Winter wonderlandIn the meadow, we can build a snowman
(In the meadow we can build a snowman)
And pretend that he is Parson Brown
(And pretend that he is Parson Brown)
He'll say "Are you married?", we'll say "No, man"
(We'll have lots of fun with mister snow man)
But you can do the job when you're in town
(Until the other kids knock him down)When it snows
Ain't it thrilling
Though your nose
Gets a chillingWe'll frolic and play
The Eskimo wayWalking in a Winter wonderland
Walking in a Winter wonderland
Walking in a Winter wonderland
Walking in a Winter wonderland
Walking in a Winter wonderland
Walking in a Winter wonderland
Walking in a Winter wonderland
Walking in a Winter wonderland
Walking in a Winter wonderland
