Deeper and Deeper

Ben Harper & The Innocent Criminals

Deeper and deeper until I drown
Hard going under without a sound
I try to run but you hold me down
Deeper and deeper until I drownLonging is a ghost
When the one you love the most
No longer has you on their mind
On their mindDeeper and deeper until I drown
Hard going under without a sound
I try to run but you hold me down
Deeper and deeper until I drownHell or high water
And hold on tight
And if you're not mine
I'll wait all night
All nightDeeper and deeper until I drown
So hard going under without a sound
I try to run but you hold me down
Deeper and deeper until I drownThe branches are black
And the tree stands bare
Haunted by the bloom
That's no longer there
Clinging to the ground (clinging to the ground)
To grow another, another ring aroundDeeper and deeper until I drown
So hard going under without a sound
I try to run but you hold me down
You've got me deeper and deeper until I drown
