I Don't Mind

Dust For Life

Lover, make her naked, still but nothing shows
No time no place, one will be as one does fake
No gift, no need, so you try to bring me down
A promise, a joke laughing on my sufferingI don't mind, I know why you hide
I don't mind, I know the why of your disguise
I don't mind, I know the why and I don't mindChoking sickness, looking on as I am raped
Bleeding crawling, pointing out my every mistake
So you go down and you think your lie won't show
Breeding, feeding, taking in the enemyI don't mind, I know why you hide
I don't mind, I know the why of your disguise
I don't mind, I know the why and I don't mindIs she gone all because I am all wrong?
Is she gone all because I am all wrong?
I don't mind, gone to far to come back
Is she gone?I don't mind, I know why you hide
I don't mind, I know the why of your disguise
I don't mind, I know the why and I don't mind
