

One And Only

Parokya Ni Edgar

It took one look
Then forever laid out in front of me
One smile then I died
Only to be revived by you
There i was
Thought i had everything figured out
Goes to show just how much i know
'bout the way life plays out...
Chorus:
I take one step away
then i find myself coming back to you
My one and only, one and only you...ooh...
Now i know

That i know not a thing at all
Except the fact that i am yours
And that you are mine
Ooh,
They told me that this wouldn't be easy
And no
I'm not one to complain...

Chorus:
I take one step away
then i find myself coming back to you
My one and only, one and only
I take one step away
then i find myself coming back to you
My one and only, one and only
you...
