Party Dress

After Midnight Project

When misery dreams
The city doesnt sleep
She craves the perfect life.
There is a party in a hearse
And everybodys been dying
To get in.Misery cant feel.
Misery cries all day long.When you close your eyes
Youll be good
Dont cry
You brought this on yourself
Youre losing control
Youve made a mess
Take off your party dress.When misery cries
The whole city lies
Asleep on answered prayers
Misery runs through the streets
Like a ghost
She hopes that shell infect.Misery cant sleep.
Misery screams all night long.When you close your eyes
Youll be good
Dont cry
You brought this on yourself
Youre losing control
Youve made a mess
Take off your party dress.Misery cant feel
Misery cries all day long.When you close your eyes
Youll be good
Dont cry
You brought this on yourself
Youre losing control
Youve made a mess
Take off your party dress.When you close your eyes
Youll be good
Dont cry
You brought this on yourself
Youre losing control
Youve made a mess
Take off your party dress.
