All Your Love

Chandra Currelley

All your love I miss lovin'
All your kiss I miss kissin'
All your love I miss lovin'
All your kiss I miss kissin'

Ever since I left you baby, I never knew what I was missin'
All your love I miss lovin'
All your kiss I miss kissin'
All your love I miss lovin'
All your kiss I miss kissin'
Ever since I left you baby, I never knew what I was missin'

All your lovin' pretty baby
That I had in store for you
All your lovin' pretty baby
That I had in store for you
All your lovin' pretty baby
What could a poor boy do

All your lovin' pretty baby
All your lovin' pretty baby
All your lovin' [7x] pretty baby
What could a poor boy do

All your lovin' pretty baby
All your kissin' is kissin
All the lovin' you gave me pretty baby
All your kissin' is kissin'
Ever since I left you baby
I n-n-never knew what I was missin' aaaah
