My Regret

Banky W

1st verse:
It's too late now, still I've got something to say?
Girl I'm sorry that I treated you that way
Time has gone now, and the moment has passed?
When I had the chance to try and make us last
All alone now, and it's no one's fault by mine?
Couldn't see the truth, I had those blinded eyes
You have moved on, still I don't give a damn?
Gotta get this off my chest while I can

(Pre-chorus:)

How? I need you more and more will you
Come back to me please

Every single hour,
Of every single day, I
Miss you more and more,
Don't know what to say, I
Know I closed the door,
You're gone and on your way
But now, I need you, I need you?

(Chorus:)2x

Wanna take it back to the day when we first met,
If I could, I'd start all over again
Our love is My Regret

(Verse 2:)

Should have known then, what I know now?
Dying every second that you're not around
Should have been there, when you needed me?
Now I'm by myself, on my bended knees
Should have loved you, while I had the chance to?
Couldn't realize that you were the truth
Should have shown you, what you meant to me?
Baby now I see, that you were my queen

(Pre-chorus:)

How? I need you more and more will you
Come back to me please

Every single hour,
Of every single day, I
Miss you more and more,
Don't know what to say, I
Know I closed the door,
Sent you on your way
And now you're gone?

(Chorus:)2x

(Chorus:) repeat till fade
