New Mother Nature

The Guess Who

Jocko says, "Yes", and I believe him
When we talk about the things I say
Hasn't got the faith or the guts to leave him
When they're standin' in each other's wayYou're trippin' back now to places you've been to
You wonder what you're gonna find
You know you've been wrong, it won't be long
Before you leave 'em all far behindBabe, we got the new mother nature taking over
Babe, we got the new splendid lady who come to call
Babe, we got the new mother nature taking over
She's gettin' us all, she's gettin' us allJocko said, "No", when I came back last time
It's lookin' like I lost a friend
There's no use callin' 'cause the sky is fallin'
And I'm getting pretty near the endSmoke-filled room in a corner basement
The situation must be right
A bag of goodies, a bottle of wine
We're gonna get buzzed up tonightBabe, we got the new mother nature taking over
Babe, we got the new splendid lady who come to call
Well don't you know, we got the new mother nature taking over
She's gettin' us all, she's gettin' us allJocko says, "Yes", and I believe him
When we talk about the things I say
Hasn't got the faith or the guts to leave him
When they're standin' in each other's wayYou're tripping back now to places you've been to
You wonder what you're gonna find
You know you've been wrong but it won't be long
Before you leave 'em all far by, so far behindBabe, we got the new mother nature taking over
Babe, we got the new splendid lady who come to call
Well don't you know we got the new mother nature taking over
She's gettin' us all, she's gettin' us all
She's gettin' us all, she's gettin' us all, all of us
