Lullaby

Chess (Broadway)

Open her eyes
Cause her to fall in love with me
Help me to speak
Bless me with words she will feel
Oh let it rain
Droplets of sunshine in her life
Give her the world
But let it be me she longs to hold
I can't wait
I won't wait
'Cause tomorrow's too late
And I need her right now in my life
All that I'm praying for
Is my voice finds her like a lullaby
Sings her to sleep
She'll wake with me
Rewind the days
To when she first laid eyes on
Ignite the fire
Let it burn uncontrollably
Oh I'm in love
I've never felt this way before
Make her feel the same
And I will ask of you no more

I can't wait
I won't wait
'Cause tomorrow's too late
And I need her right now in my life
[Chorus:]All that I'm praying for
Is my love finds her like a lullaby
Finds her in the night
Sings her to sleep
All that I'm hoping for
Is my voice finds her like a lullaby
Sings her to sleep
She'll wake with me
This is my prayer
I've no shame to declare that I'm praying for her

(Please wake with me)
I laid down a love song
Made up this melody
Oh let this lullaby
Cry out and catch her
[Chorus x2]She's all I want
She'll wake with me
