Seventh son

Sly & The Family Stone

Everybody's talkin' about the seventh son
In the whole wide world, there is only oneAnd I'm the one, yeah, yeah, yeah
I'm the one, there you go
I'm the one, I'm the one
I'm the one, I'm the one they call the seventh sonI can tell your future, it will come to pass
I can say things to you, make your heart beat fast
Look in the sky, predict the rain
I can tell when a woman got another manI'm the one, yeah, yeah, yeah
I'm the one
I'm the one, I'm the one
I'm the one, I'm the one they call the seventh sonI can say things to you, make it sound so sweet
I can even make your little heart skip a beat
Heal the sick, raise the dead
I can make the little girls talk out of their headAnd I'm the one, yeah, yeah, yeah
I'm the one
I'm the one, I'm the one
I'm the one, I'm the one they call the seventh, yeah
