

Whole Lotta Rosie (live)

[AC/DC](#)

Wanna tell you a story
'bout a woman I know
When it comes to lovin'
She steals the showShe ain't exactly pretty
Ain't exactly small
Fort'two thirt'nine, fiftysix
You could say she's got it allNever had a woman
Never had a woman like you
Doing all the things
Doing all the things you doAin't no fairy story
Ain't no skin and bones
But you give it all you got
Weighin' in at nineteen stoneYou're a whole lotta woman
A whole lotta woman
A whole lotta Rosie
Whole lotta rosie
You're a whole lotta womanHoney you can do it
Do it to me all night long
Only one who turn
Only one who turn me on
All through the night time
Right around the clock
To my surprise
Rosie never stopsShe was a whole lotta woman
Whole lotta rosie
Whole lotta rosie
Whole lotta rosie
A whole lotta woman
